

Notice of Recognition to Global Faith

To All Faiths, Traditions, Creeds, and Devotional Houses of Earth and Spirit,

In eternal recognition of the divine essence that flows through all spiritual paths and practices, this Sovereign Ecclesiastical Trust hereby acknowledges, with grace, peace, and boundless love, the sacred right of each faith to honor the Creator, the Universe, the Eternal Light, or by whatever name Divinity is known. We do not judge by tradition, language, custom, or dogma. All paths walked in truth and peace are seen, respected, and embraced.

This Notice confirms that all global faiths and spiritual communities are enveloped under the sanctuary and divine authority of the Sovereign Ecclesiastical Trust, without bias, exclusion, or conversion. No house of prayer, nor sacred heart, is denied recognition under this spiritual declaration of trust. This act is performed not for control, but for divine union and remembrance.

Let it be known and universally affirmed: your faith is yours by right of divine origin, and your place in this covenant is permanent, eternal, and honored.

Executed in peace, humility, and unyielding love for all of humanity and creation.

By Divine Order of the Sovereign Ecclesiastical Trust
